Professional Experience

Engie SEM

January 2026 – Present | Brussels, BE

Senior Business/Functional Analyst (Data Platform Transformation) (Freelancer)

- Led the financial controlling pilot phase for the SAP S/4HANA migration across French subsidiaries, acting as the core Business Analyst bridging IT architecture and strategic business operations.
- Designed, built, and deployed an automated budget-modeling tool from scratch within a 2-week timeline, ensuring operational continuity during a resource gap.
- Streamlined and automated financial closing for commodity trading, deploying PowerQuery ETL workflows to ingest 1,500+ bookings per close with zero human intervention.
- Reconciled complex financial data between mid-office databases (IVDB) and SAP S/4HANA while restructuring WWS project codes to optimise portfolio monitoring.

Holcim

January 2024 – December 2025 | Nivelles, BE

Senior Operational Excellence & Data Lead (Freelancer)

- Supported post-M&A integration and group controlling, restructuring workflows using data insights.
- Managed SAP HANA migration, restructuring data and ensuring system integrity.
- Developed rebate models (matrix & automated SAP), aligning with commercial strategy.
- Implemented QlikSense with new data for financial reporting and insights.
- Ensured data reliability and liaised with auditors on rebate matters.

Engie Tractebel

March 2023 – December 2023 | Brussels, BE

Cash Flow & Financial Modeling Specialist (Freelancer)

- Designed cash-flow reporting and cash-exposure modelling per project.
- Assessed financing needs in the local entity, with credit analysis and impairment testing.
- Developed financial modelling from SAP HANA data and designed Power BI reporting.

Shurgard

February 2022 – February 2023 | Brussels, BE

Investment & Corporate Development Analyst (Freelancer)

- Analyzed and managed real estate projects, including construction, redevelopment, and acquisition of self-storage businesses.
- Maintained project dashboard and initiated corporate development projects to improve department policies and procedures.
- Designed the data model and visualization for the Investment department's Business Intelligence efforts.
- Collaborated in the development of a new pricing model using Artificial Intelligence.

Magnetrap

November 2020 – January 2022 | Mons, BE

Head of Controlling / Interim CFO

- Acted as interim CFO and led fundraising, organizing €3M in debt/equity fund raises.
- Created cash flow projections, business plans, and long-term financial goals.
- Monitored company performance and implemented corrective actions as needed.
- Prepared operating results reports and managed financial models for long-term use.

Tobania*February 2020 – October 2020 | Brussels, BE***Director Business Process Automation**

- Led development and implementation of citizen developer business model using RPA and self-service BI, including pricing strategy and roadmap.
- Managed business development, including marketing strategy, pre-sales, and sales, and identified new business opportunities.
- Implemented process optimization, standardization, and harmonization to improve efficiency and profitability for customers.
- Established change management structures and strategies to facilitate adoption of new processes and technologies.

Soap collect*January 2019 – Present | Phnom Penh, KH***Founder (Non-profit)**

- Established a non-profit organisation focused on providing hygiene products to disadvantaged communities.
- Formed partnerships with luxury hotel chains to source used soap for reconditioning.

Degroof Petercam*January 2018 – December 2018 | Brussels, BE***Performance Management Project Leader**

- Finance Transformation Operating Model (FTOM).
- Designed and implemented a client-centric performance management system.
- Optimised finance close process for improved governance, internal control, and data quality.
- Led projects related to regulatory reporting sourcing and followed BPM standards.
- Conducted gap analysis of business requirements against existing procedures to identify areas for improvement.

Vinci Airports*February 2016 – December 2017 | Brussels, BE & Lisbon, PT***Managing Director & Head of Project Financial Modeling**

- Value creation: valuation at 4 times of acquisition cost.
- Led deployment of airport operations at 50+ locations in various countries.
- Developed long-term financial business model including analysis of macroeconomic impact, capital expenditures, and concession valuation.
- Negotiated concession-contract extension with Portuguese authorities and implemented new financial business model to improve budgeting and forecasting.
- Managed accounting and financial reporting in accordance with BE-GAAP standards.

Rexel*September 2014 – January 2016 | Paris, FR***Reporting Consolidation Manager**

- Led the implementation of IFRS financial reporting for Asia-Pacific, Latin America, and Canadian subsidiaries.
- Spearheaded the restructuring and integration of SAP BPC and Cognos reporting systems.
- Performed annual budgeting, monthly forecasting, and analyses of actual vs. budgeted/estimated results.
- Led the strategic planning process for the organization.

KPMG Audit*January 2011 – August 2014 | Paris, FR***Financial Auditor Supervisor**

- Conducted audits of financial statements using various accounting standards, including testing key processes in accordance with SOX requirements.
